## How to access your child's online learning activities – The Learning Place

## **Computer/Device**

Your child can access their online learning activities using most devices. This includes laptop or desktop computers, iPads and other tablet computers.

## How to access your learning activities

- 1. Open a web browser
  - Google Chrome, Firefox, Safari or Microsoft Edge are supported.
  - Internet Explorer <u>will not</u> work.

Supported	Web Browser		
$\checkmark$	Ø	Google Chrome	
		Free Download	
$\bigtriangledown$		Apple Safari	
		Standard on Apple devices	

Not supported	Web Browser		
×		Internet Explorer Standard on Windows 7-8	

2. Go to <u>https://elearn.eq.edu.au</u> – copy or type the web address into the browser address bar

**NB:** If you encounter an error, try a different supported browser.

**3.** Your child should now enter their Logon ID and password, then click 'Login'.

**5.** You should land on the course home page.

**NB:** If you cannot see the menu on the left hand side of the page, hover your mouse over the left hand side of the screen and click to display the menu – see image to right.

**6.** Follow the instructions on the home page.

## What if I have more than one child?

If devices are being shared, one child will need to log out and then the next child login.

- Click 'Login as a different user' to the top right of screen see image below.
- Return to step 3 the next child should enter their Logon ID and password.
