

7.12.2021

Dear Parents/Caregivers

I am writing to inform you that I decided to restrict access to Room 319 in Block 3 due to damage caused to the walls.

The school's Built Environment Materials Information Register (BEMIR) indicates that the walls may be made of fibro, which may contain asbestos.

Repairs and a professional clean are to be undertaken. The area will remain restricted until a clearance is provided for its reuse.

These precautions will ensure that all students and staff are kept safely away from the area. As you would be aware I take the issue of student and staff safety very seriously.

I believe that the partnership we share as a school community means that it is important to keep everyone informed in order to minimise concern.

Please do not hesitate to contact me on 3323 8111 if you have further queries on this matter.

Yours sincerely

Leah Fountaine
