

G'Day Mate!

My name is Danny Pupune and I am from Papua New Guinea. My time at Sunnybank SHS began on the 14th July 2015.

It has been an awesome ride so far, and I have thoroughly enjoyed my High School Years. The teachers have been very supportive and caring and I have made loads of friends.

I have adapted to life in Brisbane very quickly and easily. I think the reason for this is that I have had my little brother (Adrian) with me. He is not only my brother, but my best friend. We were placed in the same homestay, so we have enjoyed the experience together. I would like to thank my homestay family for everything they have done for myself and my brother.

My favourite subject at High School was Graphics. I am hoping in the near future to go to TAFE and further my studies.

I have really enjoyed being part of the International program, and I would like to thank everyone involved in the program for their support. I loved going on the International excursions. Going to SeaWorld and I-fly was so much fun. I know I am going to miss the friends I have made. The program really helped and supported me with my studies.

I love to keep fit, so in my spare time I enjoy working out and swimming. I also like to make music, watch movies, play computer games and just chill out.

The things about High School that I am going to miss the most are the people. My friends and teachers (although I am sure we will keep in touch).

I am looking forward to next year, as it will be a new beginning for me. I will make new friends and learn different things.

Bye for now,

Danny

Hello! My name is Owen. I am an International Student from Papua New Guinea and I am about to Graduate from Year 12. I enrolled at Sunnybank SHS on the 6<sup>th</sup> August 2015.

During my time at Sunnybank SHS, I made heaps of friends and I got lots of help with my work when I needed it. The students who attend Sunnybank SHS are from all over the world and they come from all different backgrounds, so I felt like I just fitted in.

It is my dream to one day become a Graphic Designer. Next year I have applied to go to TAFE to further my studies. I would like to thank the wonderful teachers who have helped and supported me during my high school years.

I have also enjoyed being a part of the International program. I would like to thank Ms Dee, Mrs Moodley, Ms Addie and Ms Spratt for all of their support. They have made the program fun. We have shared some great times together. I will definitely miss the movie nights and the birthday celebrations heaps. The cake Ms Dee shared with us on these special occasions tasted amazing. I also enjoyed Christmas in July. It was a celebration where we learnt the importance of giving, rather than receiving. It made me feel good, knowing we had helped many animals who were in shelters.

I would like to thank my homestay family for looking after me whilst in Australia. I would also like to wish my homestay brother (Eric) all the best for the future. Eric is also an International student and we have had heaps of fun together. I am sure we will keep in touch.

In my spare time I enjoy hanging out with my friends, eating Pizza and watching movies, just general things teenagers enjoy doing. I would like to thank everyone who has helped me during my high school years and for making my stay in Australia a positive and rewarding one.

I would like to wish everyone a Merry Christmas and Happy New Year.

Thanks again and bye for now,

Owen
