

My name is Daniel and I am an International Student from South Korea.

I enrolled at Sunnybank SHS on the 27th January 2015 and I have made many friends here. Whilst attending Sunnybank SHS my English has improved out of sight - both my speaking and my writing. I would like to thank my teachers for all of their support and patience with me.

In the immediate future I am hoping to get an apprenticeship as a chef. So it is no surprise that Hospitality has been my favourite subject. I think I have even mastered the art of making a great coffee!

My favourite place to visit in Brisbane is Brisbane City and Southbank. I love hanging out there with friends. Sometimes we catch a movie or have some lunch, it is just a great way to relax and have some fun. Speaking of lunch, my favourite foods are sushi and seafood. When I am not hanging out with my mates, I enjoy reading a good novel.

During my time at Sunnybank SHS, I have thoroughly enjoyed being part of the International Program. I have particularly enjoyed the excursions, which are held twice a year and Multicultural Day. As I want a career as a chef, Multicultural Day particularly appealed to me as I was able to sample food from all over the world. I also enjoyed the social aspect of the day, where our friends were able to be part of the celebration.

I would also like to take this opportunity to thank the staff who have made the International program at Sunnybank SHS a huge success.

Lastly I would like to thank my family, as without them none of this would have been possible. I thank them for their support (both emotionally and financially).

I have mixed feelings about finishing high school, as there are many people who I will miss greatly. I am also excited though, as the next chapter of my life is about to begin and I can't wait to see what the future has in store for me.
