

從台灣離鄉背井來到澳洲,是我以前想都沒想過的事.如今,我已踏在澳洲的土地上;短短的兩個學期已經讓我感到受益良多.在學校我體會到了非常不一樣的教學體制以及方式,文化背景和我不一樣的教師及學生.還有澳洲當地特有的事物以及文化;這些都是在台灣所感受不到的新事物.我想因為是以國際學生的身份來到這裡,待在澳洲的這期間使我的感觸非常得深厚;我會把我在這裡所有的點點滴滴都收藏起來作為難得可貴的回憶.

I never thought that I will come to Australia from Taiwan before. But now I have stayed here for two terms. During almost 6 months, I have learned many new things. In school, there is different education, different teachers and students. Also, there is different culture in Australia. These are all the new things that I can't feel in Taiwan. I think because I am an international student, so all of these new things make me touch very deep. I will take these memories into my heart and keep them in my mind.
